

Wonder Workers

Where friends have fun working together while giving back to our community!

- This is a hands-on approach to teaching service.
- The goal is simple, inspire our kids to give back to the community. Come to as many of the service events as you can but do not feel obligated to be at every event.

We will come together 4 times during the school year in the evening, typically in the Cafeteria or St. Clement Room, to work on various projects like:

- Walk for the Poor: Sort toiletries and participate in the walk
- Make Sandwiches for St. Vincent de Paul
- Partner with other Catholic Charities on other projects

All kids participating will need to have a parent or designated adult that has completed St. Clement's volunteer requirements present at the events.

First event will be Tuesday, Sept. 19 at 7pm in the Cafeteria

Dates for other events will be communicated once school starts.

Fee: \$50 per family – Additional donations are welcomed. All funds collected are used to purchase supplies for the events, which are donated to the organizations.
