## STEM Odyssey

Excite your senses on an adventure through STEM with a Mad Scientist and some electrifying laboratory experiments. Explore questions like "What makes your hair stand up?", "Is it a magnet or magic?", and "Just how does sound work?". Learn about electricity and witness thunder and lightning indoors with our electro-static generator. Experience mind boggling optical illusions. Tap into the vibrations of sound waves. Test out temperature with the power of heat. Discover the wonders of color and light.

Each week, we'll explore one of these topics:

- **Sonic Sounds**  
How does sound move?
- **Harnessing Heat**  
What makes things hot?
- **Magnetic Magic**  
Discover magnetic fields
- **Lights, Color, Action!**  
Why do we see color?
- **Optical Illusion**  
Play tricks on your eyes!
- **Watts Up**  
Experience the fun of static

## OUR MISSION

Mad Science® is on a mission to spark the imagination and curiosity of children by providing them with fun, interactive and educational programs that instill a clear understanding about science and how it affects their world.

## MAD SCIENCE® PROGRAM POLICIES

- ★ If your child will be picked up after Mad Science, you must meet your child at the room location.
- ★ Failure to pick up a child within 30 minutes of dismissal time will result in a call to the Police Department, to assist in locating the child's parent or guardian.
- ★ For refund requests made prior to the start of the program, a \$10 processing fee will be deducted. Payments made directly to your child's school are subject to the school's refund policy.
- ★ No refunds will be issued once the program has begun.
- ★ All children are expected to maintain proper behavior while attending the program. If a child displays disruptive, disrespectful, or inappropriate behavior and repeated warnings by Mad Science fail to yield results, parents will be contacted. If the behavior continues, the child will be dismissed from the program and no refund will be given.
- ★ Space is limited. Registrations are accepted on a first come first serve basis.
- ★ If a minimum number of students is not reached class will be cancelled, and a full refund will be given.
- ★ The nature of Mad Science programs allows for grades K-6 to participate in the same classroom with one instructor.
- ★ Mad Science's average class size is 12-20 students per one instructor.
- ★ A \$25 fee will be charged for checks that are returned unpaid.
